

The Perspectives on Structural Violence Event series is proud to announce our 2014-2015 keynote event

BEYOND TRANSNATIONALISM: LESSONS FROM SOMALIA AND THE NEW SECURITY APARTHEID

Friday April 10 at 4pm in Toyota Auditorium of the Howard Baker Center

Dr. Catherine Besteman of Colby College will talk about how strategies and policies of containment enacted by international humanitarian agencies, together with securitization practices by states in the global north are producing a new apartheid order on a global scale.
