

SPRING 2015 CLASSES THAT COUNT FOR AMERICAN STUDIES

Not all courses that automatically count for our major are offered each term, and many courses are offered that do not count automatically but are easily approved by petition. This is a working list for Spring 2015. Probably it will need ongoing additions and subtractions; please talk to Mark Hulsether if you think you have found some.

			<i>Listed in Timetable?</i>		<i>Probable and/or usual professor(s)</i>	<i>Automatic for major?</i>	<i>Additional Notes</i>
