 Name *(Last)* *(First)*

 Student ID Number

I wish to make the following request or substitution:

NOTE: Include course #, course title, credit hours, and grade.

Please count the following course _____

In fulfillment of the following requirement for the American Studies major or minor.

- _____ American Studies 310 (Introduction to AMST).
 (AMST 450 is explicitly preferred to 310 if students can't take both)
- _____ the approved course in US history
- _____ the approved social science course
- _____ the approved American literature course
- _____ one of the five additional courses in the major tailored for student concentrations
- _____ an approved course for the minor

Reason for your request:

The American Studies program encourages students to count appropriate variable topics courses, independent studies, and courses suited to students' special interests within the field--including appropriate substitutions to enable an optimal overall package. This request fits the spirit of this policy.
